TIPS TO CORRECTLY MEASURE FOR A CUSTOM ORDER

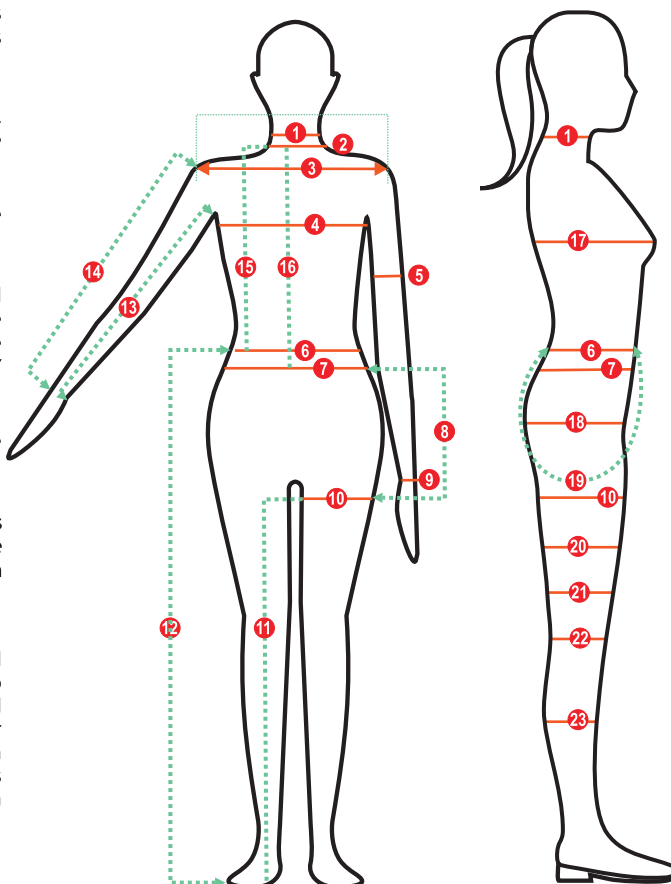

- ❖ Please fill out this form completely. If any items are left blank, it will be returned for completion. Orders can not be started until BDazzled Show Clothing has a signed and completed measurement/order form.
- ❖ Be sure to use a soft tape measure and DO NOT pull the tape too snug or leave it too loose. The tape should lightly touch your skin.
- ❖ Tie a string around your waist (against your bare skin). Where it rests is your natural waist position.
- ❖ Please be honest when listing your weight and height. These numbers are very important in the final fit of your garments. Also, take only accurate measurements. NEVER add or subtract inches to ANY measurements (THIS IS CRITICAL).
- ❖ NOTE: We only need leg measurements if you are ordering pants or chaps.
- ❖ Boots must be worn when taking chaps and/or pants measurements. When measuring for chaps, be sure to measure over the pants you will be wearing with your chaps. DO NOT measure against bare skin.
